Hello Tom!
```

```
Tom: How are you today?
```

```
I'm doing great. How about you?
```

```
Tom: I'm fine too.
```

```
Have you completed the networking assignment?
```

```
Tom: Yes, I finished it yesterday.
```

```
Great! I just completed mine.
```

```
Tom: Did you test the chat application?
```

```
Yes, it's working perfectly.
```

```
Tom: Awesome! Let's submit it today.
```

```
Sure. Best of luck!
```

```
Tom: Thank you. See you later!
```

```
See you. Bye!

Hi Dora!
```

```
Dora: Are Tom and Jerry coming for the Networking Lab?
```

```
Yes, they're on the way to the lab.
```

```
Dora: Did Tom complete the TCP Chat program?
```

```
Yes, Jerry helped him fix the errors.
```

```
Dora: That's great! We can all demonstrate the program together.
```

```
The sir said every team should show message exchange between two clients.
```

```
Dora: Then Tom and Jerry can do the demo while we explain the algorithm.
```

```
Good plan! Let's submit the record after the viva.
```

```
Dora: All the best!
```

```
Thanks! See you inside the lab.
